## 4. Facility Information

## **Definitions**

<u>Skilled Nursing Facility</u> – Patients require 24-hour nursing services by Registered Nurses and Licensed Practical Nurses, which may provide medications, catherization, internal feeding, Class IV therapy, and other special care services as may be ordered by a Physician.

<u>Assisted Living and Personal Care Facility</u> – Residents require "support" services with daily living routine including meal preparation, eating, dressing, bathing, walking, taking medication, room cleaning, and laundry services.

<u>Residential Independent Living Facility –</u> Residents do not require special care or services. Facility provides meal services, recreation activities, social coordination, transportation and other similar everyday conveniences.

10.	Does your facility provide ex	it security?		☐ Yes ☐ No	
	If yes, check what systems a	are operating:   Exit alarms	☐ Panic doors ☐	Cameras installed	
	☐ Electronic personal device	es used to monitor wandering	g		
	If you use these devices, wh	at type do you use?

Total	

23. Identify patients by category in the table below. Use the following definitions of patient categories:

<u>Category I</u> (201/203) Heavy Care Group - A patient must have one of the following conditions or be receiving at least one of the following treatments: coma; quadriplegia; stage 3 or 4 Decubitus with Decubitus care and/or wound dressing twice daily; non-oral nourishment; daily oral/nasal suctioning; or daily tracheotomy care. Patient must also require at minimal, frequent assistance with activities of daily living (eating, toileting and transfer).

<u>Category II</u> (202) Rehabilitation Group - Patient must be receiving physical or occupational therapy at least three times per week. The therapy must be ordered by a licensed physician and must be rehabilitative/restorative in intent.

<u>Category III</u> (204, 206, 208) Clinically Unstable Group - Patient must have at least one of the following conditions or be receiving at least one of the following treatments: recent amputation of a limb; seizures; dehydration with intake/output monitoring at least two times per day; incontinence with bowel and bladder management at least three times per day; urinary tract infection with intake/output monitoring at least three times per day; daily oxygen administration; respiratory therapy at least three times per day; or wound dressing at least two times per day.

<u>Category IV</u> (205, 207, 209, 210, 211) Clinically Stable Group - This Group includes all Patients who do not qualify for the heavy-care, rehabilitation, or clinically unstable groups. Patients in this group are included in a mental/behavioral condition subgroup if they do not require minimal/frequent assistance with activities of daily living (eating, toileting and transferring) and they have at least one of the following cognitive or behavioral characteristics: incoherent/ frequent disorientation, daily disruptive behavior or daily aggressive behavior.

<u>Medicare Skilled</u> Patient who meets the requirements of the Title XVIII of the Social Security Act is eligible for service and resides in a Medicare certified nursing facility or in a distinct part of a nursing facility.

Enter the number of patients for each category and age group:

#### **REPRESENTATIONS AND WARRANTIES**

The "Applicant" is the party to be named as the "Insured" in any insuring contract if issued. By signing this Application, the Applicant for insurance hereby represents and warrants that the information provided in the Application, together with all supplemental information and documents provided in conjunction with the Application, is true, correct, inclusive of all relevant and material information necessary for the Insurer to accurately and completely assess the Application, and is not misleading in any way. The Applicant further represents that the Applicant understands and agrees as follows: (i) the Insurer can and will rely upon the Application and supplemental information provided by the Applicant, and any other relevant information, to assess the Applicant's request for insurance coverage and to quote and potentially bind, price, and provide coverage; (ii) the Application and all supplemental information and documents provided in conjunction with the Application are warranties that will become a part of any coverage contract that may be issued; (iii) the submission of an Application or the payment of any premium does not obligate the Insurer to quote, bind, or provide insurance coverage; and (iv) in the event the Applicant has or does provide any false, misleading, or incomplete information in conjunction with the Application, any coverage provided will be deemed void from initial issuance.

The Applicant hereby authorizes the Insurer and its agents to gather any additional information the Insurer deems necessary to process the Application for quoting, binding, pricing, and providing insurance coverage including, but not limited to, gathering information from federal, state, and industry regulatory authorities, insurers, creditors, customers, financial institutions, and credit rating agencies. The Insurer has no obligation to gather any information nor verify any information received from the Applicant or any other person or entity. The Applicant expressly authorizes the release of information regarding the Applicant's losses, financial information, or any regulatory compliance issues to this Insurer in conjunction with consideration of the Application.

The Applicant further represents that the Applicant understands and agrees the Insurer may: (i) present a quote with a Sublimit of liability for certain exposures, (ii) quote certain coverages with certain activities, events, services, or waivers excluded from the quote, and (iii) offer several optional quotes for consideration by the Applicant for insurance coverage. In the event coverage is offered, such coverage will not become effective until the Insurer's accounting office receives the required premium payment.

The Applicant agrees that the Insurer and any party from whom the Insurer may request information in conjunction with the Application may treat the Applicant's facsimile signature on the Application as an original signature for all purposes.

The Applicant acknowledges that under any insuring contract issued, the following provisions will apply:

- 1. A single Accident, or the accumulation of more than one Accident during the Policy Period, may cause the per Accident Limit and/or the annual aggregate maximum Limit of Liability to be exhausted, at which time the Insured will have no further benefits under the Policy.
- 2. The Insured may request the Insurer to reinstate the original Limit of Liability for the remainder of the Policy period for an additional coverage charge, as may be calculated and offered by the Insurer. The Insurer is under no obligation to accept the Insured's request.
- 3. The Applicant understands and agrees that the Insurer has no obligation to notify the Insured of the possibility that the maximum Limit of Liability may be exhausted by any Accident or combination of Accidents that may occur during the Policy Period. The Insured must determine if additional coverage should be purchased. The Insurer is expressly not obligated to make a determination about additional coverage, nor advise the Insured concerning additional coverage.
- 4. The Insurer is herein released and relieved from any and all responsibility to notify the Insured of the possible reduction in any applicable Limit of Liability. The Insured herein assumes the sole and individual responsibility to evaluate, consider, and initiate a request for additional coverage or reinstatement of the annual aggregate Limit of Liability which may be exhausted by any single Accident or combination of Accidents during the Policy Period.
